Planting Strips

Recently, we noticed a house with a very nice bed of flowers in place of grass in the planting strip. Doing anything in the planting strip besides repairing or replacing the grass needs City approval. Please contact City Hall if you have questions. (It does look nice, but until Council has a chance to mull this issue over, please don't change the planting strips. Thanks!)

Steilacoom Historic School District No. 1

Superintendent Kathi Weight would like us to know:

“With the arrival of Spring, it is that time of year for our district to begin planning for the 2015-2016 school year! We are reaching out to our parents of children who are five years old before September 1, 2015 to enroll their child into kindergarten as soon as possible. By enrolling now, parents will ensure they receive important

information over the summer regarding events and other exciting happenings at Chloe Clark. This will also assist our district to anticipate staffing, transportation and other needs to support a smooth start to the school year. Enrollment paperwork, as well as frequently asked questions regarding kindergarten, is available on our district website or at our District Administrative Center located at 511 Chambers Street. Thank you for your support a great start for 2015-2016 school year!

Questions can be directed to our Student Enrollment office at 253-983-2216 or by email: enrollment@steilacoom.k12.wa.us.”

Thanks to Kathi and all the wonderful people at the No. 1 School District...you do amazing things!
