

Tree Recycling Options:

1. LeMay Pierce County Refuse: Christmas Tree Pick-up

Yard Debris customers can set Christmas trees out on their regularly scheduled collection day. Trees must be free of flocking, tinsel, ornaments and metal hangers and cut to 4' lengths. The entire tree does not have to fit in the yard waste can but the yard waste can does have to be out for the driver to take the tree. There will not be additional charges for trees that do not fit in your container.

Flocked trees are not recyclable and will not be accepted. Put flocked trees in the garbage.

2. Cub Scouts Donation: See attached Flyer

3. Pierce County Transfer Station: Recycle Your Christmas Tree

Pierce County residents can recycle trees free of charge if they self-haul to [transfer stations in Pierce County](#). Flocked trees cannot be recycled and must be disposed of as garbage. Remove the tree stand, tinsel, decorations and any nails or staples. <http://www.piercecounywa.org/index.aspx?nid=1551>
