

Water Facility Demolition

The City of DuPont will demolish an out of service pump station, reservoir, and water well near Penniman ST and Barksdale AVE in the Historic Village. Access to Sellers Park will remain open.

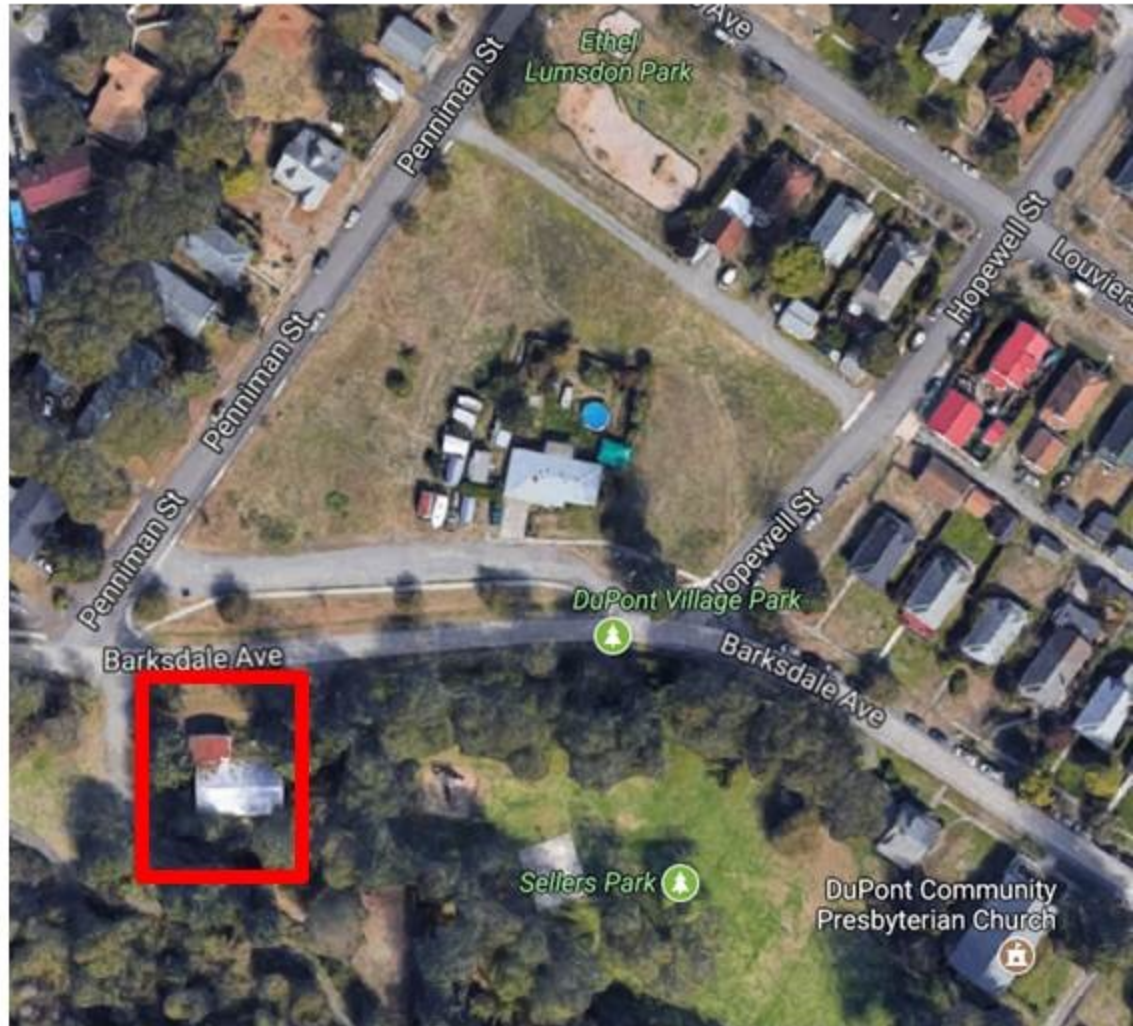

This work will occur between September 18 to October 31. Working Monday to Friday 8 am to 5 pm.

Improvements

Neighbors will see the removal of out of service facilities and the site restored with grass seed.

Construction Zone

Construction excavation equipment , hydraulic rams, and hauling trucks will be used on site. Watch out for work crews and trucks around this area.

Thank you for your patience as we improve this area of DuPont. If you have questions, please contact Public Works at (253) 912-5380.
