

Water Main Replacement

The City of DuPont will be replacing the water line along Barksdale AVE by Iafrazi Park. Residences are likely to experience construction related noise and delay during this time.

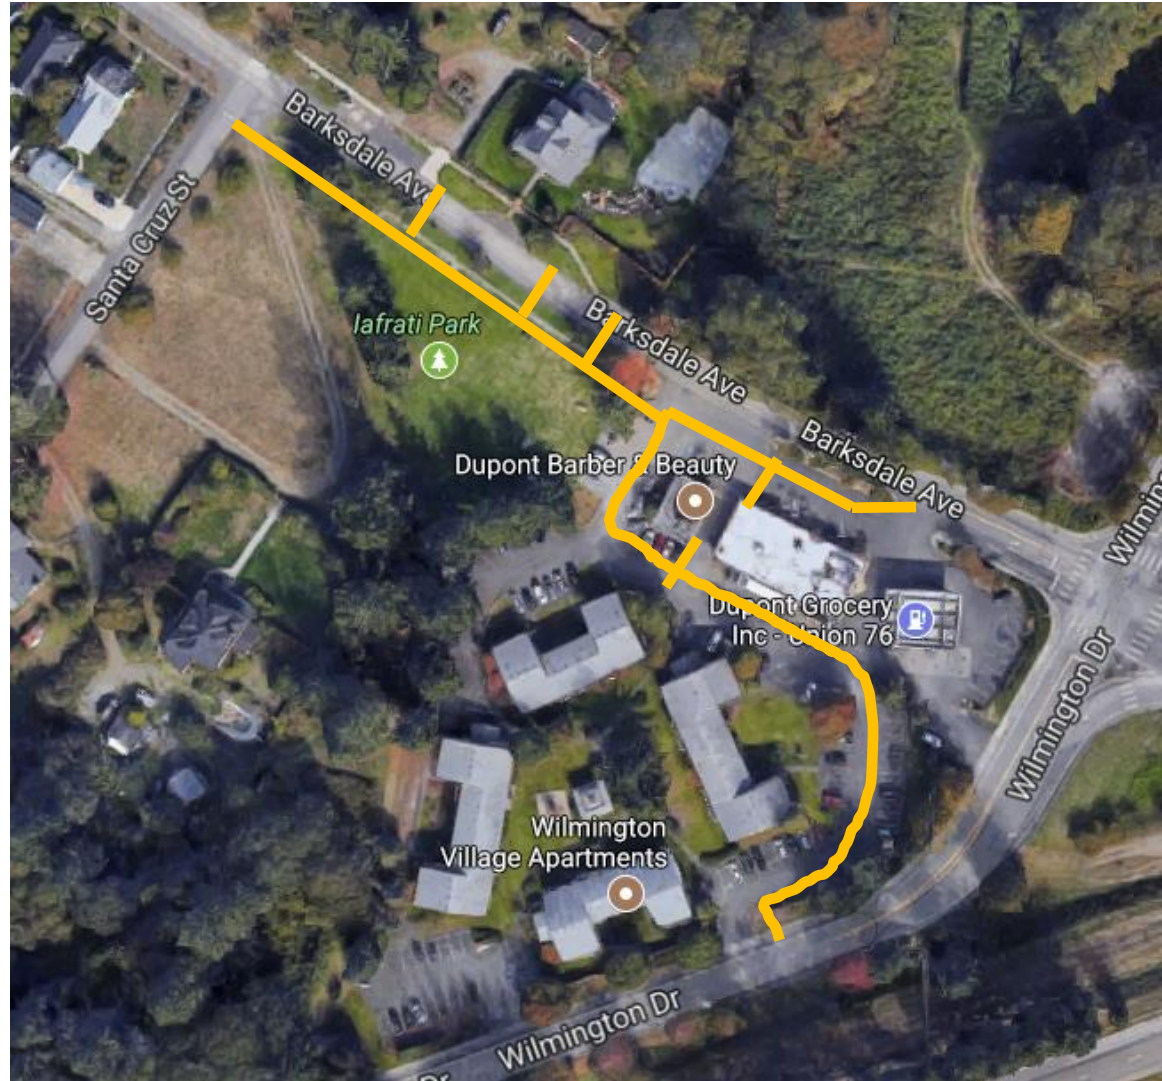

This work will occur between September 7 to October 31. Working Monday to Thursday 7 am to 5 pm.

Improvements

Neighbors can look forward to a new waterline and improved water service.

Construction Zone

Be prepared for trenching of new waterline, trench paving, and connections to residential water meters and fire hydrants. The City is working with the contractor to minimize impacts to local residents, reduce construction noise, and finish the project in a timely manner.

Thank you for your patience as we improve this area of DuPont. If you have questions, please contact Public Works at (253) 912-5380.
