MEMORANDUM

To: Planning Commission Chair Barnes & Planning Commission Members

From: Jeffrey S Wilson, AICP
Director

Date: August 16, 2017

Subject: August 16, 2017 Meeting - (Files Nos. COMP-16-04 & TEXT-16-06)

For tonight's discussion I have provided previous background material and a few new documents, including the draft summary of the Public Open House comments. I am also including a PowerPoint presentation put together by Copper Leaf so they can discuss their vision for the business park. It is my understanding a representative from the Home Course will also be attending this evening.

One of the things I would like to accomplish this evening will be to identify subareas within the Old Fort Lake neighborhood. This will help us craft subarea specific policies and development regulations for your future consideration.
