TIPS FOR PREVENTION!

- Close your VEHICLE windows and lock your doors!
- Remove all valuables and personnel items from your vehicle!
- Try and park in a well-lit area if possible!
- Turn on your exterior lights. Criminals don't like to be seen!
- **Call 911** to report all suspicious behavior or activity immediately!

LOCK IT OR LOSE IT!

During the month of October DuPont had 19 vehicle prowls. Only 1 of those vehicles had the doors locked! Vehicle theft is a crime of opportunity. Don't give anyone an opportunity to make you a victim.
