

Partial Lane Closures; Center Drive and International Place

Monday 5/13/19 through 8/30/19 will have intermittent single lane closures at the intersection of Center Drive and International Place.

This developer installed work includes new traffic signal lights, pedestrian crossing signals, cross walk, curb ramps, and road striping.

The single lane closures will be during the developer working hours of Monday to Friday, 7am to 5pm.

Future work of repaving a portion of International Place will be scheduled and announced this summer.
