

DuPont Friday Letter

March 21, 2014

Ted Danek (253) 912-5215 tdanek@dupontwa.gov

C'mon, Man!

We sprang forward, the sun is back and it's time to get out and enjoy the weather. This week, in honor of one of my most favorite ESPN segments (after highlights of the Broncos season up to but NOT including the fateful game), we're going to do a little "C'mon, Man!" Take a gaze at the pictures below and join me in a rousing "C'mon, Man!" when it's needed...

This poor guy is doing it right but now has to worry about someone else letting their dog off the leash.

C'mon, Man!

Let this oft-used but still funny photo be an example to all. That's Chief Sheehan's dog by the way, well done!

Someone has to ask the hard questions around here, so here goes: who takes the time to use a doggie bag, then does this. Really?!? Yuck...

C'mon, Man!

It's illegal, creates an eyesore and is not at all neighborly...sigh. Someone always wants to save a couple of bucks and do it themselves.

C'mon, Man!
