Memorial Day Message

Memorial Day is a time for family, rest and good times. It's also one of our most special days of the year.

This day alone recognizes and honors those who have made the ultimate sacrifice for us. On this day, there are no politics...

This day honors too, the families of those who gave all. Memorial Day is when we, the privileged, can acknowledge a sacrifice we hope to never understand.

To the wives, husbands, sons, daughters, brothers, sisters, mothers and fathers, and all members of our Gold Star Families, I offer my heartfelt sympathy this Memorial Day. I will think of you and the ones you lost: know that you are honored and treasured.
