The suspect was immediately taken into custody based upon positive identification and probable cause for the aforementioned DuPont vehicle theft. ANNOUNCING THE DUPONT POLICE DEPARTMENT NEIGHBORHOOD WATCH PROGRAM:

In partnership with National Neighborhood Watch, we are excited to announce the establishment of the DuPont Police Department Neighborhood Watch Program (DPD NWP).

It is more important than ever to have extra eyes on our community focused on collective public safety. The goal of the DPD NWP is to support groups of people living or working in the same neighborhood who want to make their community safer by working together, and in conjunction with the DuPont Police, reduce crime and improve their quality of life.

Benefits of a Neighborhood Watch Program:

- A great way to become familiar with neighbors.
- Work as partners with the DuPont Police.
- Learn how to recognize suspicious activity within your neighborhood and how to report.
- An opportunity to have neighborhood meetings to help increase communication between neighbors, share information or concerns, and actively engage with DPD officers.
- Receive crime prevention tips and information on how to take proactive steps to reduce the opportunity for crime to occur around your home.

DPD is currently underway in setting up individual neighborhood block and business watch programs within the city. If you are interested in starting a program for your area, visit our DPD NWP webpage at: <https://www.dupontwa.gov/641/Neighborhood-Watch-Program>.
