Staff is currently solidifying the 2022 Farmers Market schedule for the summer. We are reaching out to last year's vendors and several new leads to keep our market fresh and exciting. Most of our vendors will be returning, and we are still waiting to hear back from a few. Data has illustrated that our best markets fell on evenings with a concert following the market. We are grateful for a \$5,000 contribution from Amazon that will go directly to improving our market. Upcoming date announcements will be published in the future in Weekly Reports and on the City's website.

## PUBLIC WORKS

### **Who is Responsible for Keeping Sidewalks Free of Snow and Ice?**

The short answer is the Property Owner. This is codified at **DMC 14.02.030**, which says: ***"It shall be the duty of the owner or occupant of abutting property to keep the sidewalk in front of such property free from snow, ice, or obstruction of any kind, either natural or artificial. (Ord. 30 § 3, Sept. 17th, 1953.)"***

Hopefully, we won't have another snow event like the one that greeted us over the holidays, but if we do, please remember to clear your sidewalks for the safety of your families and your neighbors.
