MUNICIPAL AGENCY APPOINTMENTS

The City of DuPont would like to thank all the Municipal Agency commissioners and committee members who volunteer to serve the City of DuPont.

Based on the appointments by Mayor Frederick and approval by the City Council, the new volunteers in the list to the right will join the other volunteer commissioners and committee members who serve mostly in an advisory capacity to the City Council.

Serving on a municipal agency is one of many ways members of the public can volunteer and get involved with their city government. To learn how to get involved, see who is serving on each of them, and to find other detailed information about meeting times and agendas, go to the City’s website at <https://www.dupontwa.gov/83/Commissions>.

Safety Tip-Before you Doze, Close the Door

- ✓ Doze Safely
 - Approximately 50% of home fires happen between 11 p.m. and 7 a.m. Close your bedroom door before you go to sleep.
- ✓ Take it Down a Notch
 - During a fire, a closed door can keep carbon monoxide levels 90% lower than if the door is left open.
- ✓ Make a 900 Degree Difference
 - A closed door during a fire can mean reducing 1,000 degrees down to 100 degrees.
- ✓ Take a Breather
 - A fire needs oxygen to burn. A closed door keeps more oxygen in the room and away from the fire. When you exit a fire, close doors behind you to slow its growth.
