PARKS & RECREATION

Movie Survey – On 3/14/2022, Parks & Recreation posted a new survey for movie preferences to help us plan our upcoming Movie in the Park series. If you haven't taken the survey yet, please help us make the decisions at this link: <https://www.surveymonkey.com/r/WTP2FX5>.

Concerts in the Park – Staff is in the final process of solidifying our 2022 Summer Concert in the Park series. Our goal is to host a concert after each Farmers Market this year, as data has shown that our most successful market days were those that were followed by a concert.

Shamrock Search – The Great Shamrock Search was a huge success! The citizens of DuPont love a good search for fun and creative items cleverly hidden around town. A big thank you to our Museum Coordinator Zack Lyday and recreation staff Emma Wiegand for writing the limericks and hiding the shamrocks throughout the City.

Summer Camps – The first of several summer camps have been posted to the City's website and registration will open for remaining camps on April 1st. Stay tuned and watch the City's website for more details at <https://www.dupontwa.gov/548/Camps>.

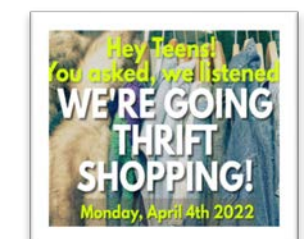

Teen Night Out – Teens are invited to spend the evening with DuPont Parks & Recreation to make their very own hydro-dipped water bottle. Teen Night Out will be on **Friday, March 25th** from 6:00 p.m. to 8:00 p.m. at City Hall, 1700 Civic Dr. Supplies, dinner, and a stellar good time is included in the price of only \$5 per participant!

Meet at DuPont City Hall by 10:00 a.m., return to City Hall by 3:00 p.m. We will visit some of our local thrift shops and stop for lunch along the way. Cost is \$10.00 per teen. Safety Tip - Smoke and Carbon Monoxide Alarms

- Check smoke and carbon monoxide (CO) alarms monthly.** If you do not have smoke and CO alarms, now is the time to buy them for your home and install them. A smoke alarm should be on every level of your home, inside each bedroom, and outside sleeping areas. CO alarms should also be placed on every level of your home, and outside sleeping areas.
- Change the batteries:** Batteries should be replaced in alarms unless the alarms have sealed 10-year batteries.
- Replace your smoke alarms if they are more than 10 years old.**
- Practice a fire escape plan:** Make sure there are two ways out from each room and a clear path to outside from each exit. Once out, stay out.

COMMUNITY DEVELOPMENT

Signs in the City - As spring and summer approach, so do many community-wide events such as school fund raisers.

A **Temporary Sign Permit Application** is required per the DuPont Municipal Code (DMC) 25.116. Information can be found on the website under **Community Development, Planning Services**, and then **Sign FAQ's** or at the following link: <https://www.dupontwa.gov/618/Sign-FAQs>.

Please submit all the required information as indicated on the Application Form. This helps ensure Community Development staff will have adequate time to process the application in time for your event. Be sure to include a sign picture concept, drawing with dimensions, and a map or listing to indicate where the signs will be placed. This assists City of DuPont staff to know the signs have been approved and prevents removal of the sign.

Questions? Call the Community Development Department at 253-964-8121.
