

# WEEKLY REPORT FROM MAYOR AND COUNCIL

**Friday, April 15, 2022**

## PUBLIC WORKS

**DuPont-Steilacoom Road Updates** - Updates can be found on the City's website by clicking on the "Construction Updates" tab, then the "DuPont-Steilacoom Road Updates" link, or at the following link: <https://www.dupontwa.gov/637/DuPont-Steilacoom-Road-Updates>.

For traffic updates from 4/18-4/22: Intermittent shifts throughout the week for storm and roadway excavation from Bell Hill to Wharf on the west side of the road.

Please note, there potentially could be intermittent traffic stops throughout the project to move equipment across the road, etc.

**2021 Water Quality Report** – The Water Department is very pleased to present the 2021 Water Quality Report to our water system customers. Our constant goal is to provide you with a safe, dependable supply of drinking water. As part of our continued commitment to ensuring the quality of DuPont's water, we want to keep you informed about the drinking water and services we have delivered to you during the past year (January 1, 2021, through December 31, 2021). We are proud that your drinking water meets or exceeds all Federal and State requirements.

### **Safety Message - Window Safety**

The Window Safety Task Force offers these tips to help protect children from accidental window falls:

**NOT SAFE!**

- When young children are around, keep windows closed and locked.
- When opening a window for ventilation, use those located out of a child's reach.
- Supervise children to keep child's play away from windows, balconies, or patio doors.
- Avoid placing furniture near windows to prevent young children from climbing and gaining access to an open window.
- Don't allow children to jump on beds or other furniture to help reduce potential falls.
- Don't rely on insect screens to prevent a window fall. Insect screens are designed to keep bugs out, not to keep children in the home.
- Install ASTM F2090 compliant devices designed to limit how far a window will open or window guards (with quick-release mechanisms in case of fire or other emergency) to help prevent a fall.

### **From the Desk of the Chief: Staff Spotlight**

This is DuPont Police Sergeant Dan Saboe. SGT Saboe started with the DuPont Police Department in 2004 as a lateral police officer. Many of you know him as a helpful, community-oriented law enforcement professional – but you don't see him patrolling our city in this uniform.

What you may not know is that SGT Saboe has been a member of the Metro Pierce Honor Guard since its establishment 15 years ago. Comprised of officers from various agencies within Pierce County, the Honor Guard is a regional asset, providing important customs, courtesies, and comfort during formal events. Unfortunately, the majority of these events are fallen police officer memorial services as a result of line-of-duty deaths. Often unseen and thankless, SGT Saboe and his Honor Guard colleagues ensure that the very best of our profession is represented during our darkest times. The formal show of respect, and gratitude for sacrifice, upholds the most honorable traditions of American policing. More importantly, it pays tribute to the grieving family and friends of the fallen.

SGT Saboe has participated in well over 20 police officer memorial services, including two over the past month. He has also represented DPD in past National Police Week Memorial services in Washington, DC. He ensures that your police department, and this entire community, is represented during these solemn events.

Please help me thank SGT Saboe for his quiet professionalism and dedication to this city – along with the rest of the Metro Pierce Honor Guard for their service.
