Friday, July 8, 2022

PARKS & RECREATION

Reptile Man - All youth are invited to our July 19th Pop Up Park at Chief Leschi Park from 11 a.m. to 1:00 p.m. Zoologist, educator, and author Scott Petersen presents 12 live reptiles in a 40-minute show that teaches the importance of all animals in nature. Scott has been featured nationally on Disney's Bill Nye the Science Guy and on PBS' Biz Kids. He has appeared on Northwest Afternoon, Evening Magazine, and NPR Radio. This is a "must do" this summer. Your kids are going to love it!

Concert in the Park - Many thanks to all who have supported our Summer Concert Series! It has been wonderful to see everyone out and about on these warm summer nights. Next up is The Olson Brothers, a homegrown country band from the Pacific Northwest. In 2019, they finished out the year with opening gigs for Dwight Yoakam, Dylan Scott, Lonestar, and Phil Vassar. The concert starts at 7:00 p and all are encouraged to shop the Farmers Market prior to attending the concert.

July 4th Thank you! - The City of DuPont would like to thank all who volunteered, planned, and participated in this year's celebration. Special thanks to DuPont Historical Society, DuPont Lions, Patriots Landing, and of course the Northwest Landing ROA & COA for their financial support. We can't wait to celebrate with you again next year!

CARTS FOR KIDS – an invitation to participate from LeMay to DuPont residents

[Waste Connections](#) is the premier provider of solid waste collection, transfer, recycling and disposal services across the US and Canada. Locally, they're known as [Murrey's Disposal](#) and [LeMay Pierce County Refuse](#). The Waste Connections family of companies is committed to improving the environment and giving back to the communities they serve.

And, they're doing just that by partnering with [Mary Bridge Children's Hospital](#) to support expanding access to care for children and families in Washington.

Here's how to help: as a customer of Waste Connections, you can donate \$200 to Mary Bridge Children's Hospital, and the team will replace your existing recycle cart with a purple Mary Bridge Children's cart. Waste Connections will continue to service your recycling as usual, while you show your support for Mary Bridge Children's.

Your donation will benefit the children and families served at Mary Bridge Children's.
