Trick or Treating Tips

- Tip #1 Carry glow sticks or flashlights and wear light colors to help kids see and be seen by drivers
- Tip #2 Only go to homes with a porch light on and **NEVER** enter a home or car for a treat!
- Tip #3 An adult should always accompany young children. If older children are going alone, agree on a route of travel and a specific time they should return home.
- Tip #4 Don't be distracted by electronic devices; put them down. Keep your head up and walk (not run) across streets and through intersections.
- Tip #5 Inspect treats before indulging. Discard anything that's not sealed properly, has torn packaging or looks questionable.
- Tip #6 Please respect those who have signs posted on their property indicating no trick or treating, for COVID concerns or other reasons.
