### **DUPONT POLICE NEIGHBORHOOD WATCH CRIME PREVENTION TIP**

#### **PACKAGE THEFT PREVENTION**

- **Have your package(s) shipped to your work address.** If your employer allows it, have your packages sent to work and keep them off your porch altogether.
- **Enlist the help of your neighbors.** If you have neighbors or friends that are usually home during the day, ask if they will accept your packages and/or keep an eye out for your deliveries.
- **Require a signature.** Consider requiring a signature so your package won't be exposed to thieves.
- **Get technical.** Think about investing in low-cost technologies like light timers, motion sensors or doorbell cameras to protect your deliveries.
- **Take advantage of alternate delivery options/alerts.** Many delivery companies offer lockers that will store your packages until you are ready to pick them up. Some are open 24 hours a day. Make sure you pick up your packages during daytime hours or in a well-lit area. Visit these websites to research locations near you:

Amazon: <https://www.amazon.com/ulp/view>

Fed-Ex: <https://local.fedex.com/en-us>

UPS: <https://locations.ups.com/wa/>

- **Keep your porch clear and visible.** If a thief has no place to hide, they are less likely to risk being seen on your porch taking your packages.

## ASSOCIATION OF WASHINGTON CITIES

Congratulations to Deputy Mayor Winkler for successfully completing AWC's Certificate of Municipal Leadership program!

AWC's Certificate of Municipal Leadership program recognizes city and town elected officials for accomplishing training in five core areas:

- Roles, responsibilities, and legal requirements
- Public sector resource management
- Community planning and development
- Effective local leadership
- Diversity, equity, and inclusion

"Being a city leader in Washington is a complex job," said AWC CEO Deanna Dawson. "Through our CML program we are providing our elected officials with the knowledge they need to effectively operate within the law, plan for the future, secure and manage funds, foster strong relationships, and work to build more equitable communities."

Deputy Mayor Winkler completed more than 30 hours of training to earn this distinction.

Elected to City Council Position No. 2, and serving since January 1<sup>st</sup> of this year, Deputy Mayor Winkler's successful completion of AWC's Certificate of Municipal Leadership will be a benefit to the City Council, employees, and citizens.

AWC serves its members through advocacy, education, and services. Founded in 1933, AWC is a private, nonprofit, nonpartisan corporation that represents Washington's 281 cities and towns before the state legislature, the state executive branch, and with regulatory agencies. AWC also provides training, data and publications, and programs such as the AWC Employee Benefit Trust, AWC Risk Management Service Agency, AWC Workers' Comp Retro, AWC Drug and Alcohol Consortium, and AWC GIS Consortium.
