FROM THE DESK OF THE CHIEF: 2023 PARTNERSHIP AWARD

In DuPont, we are extraordinarily fortunate to have solid partners – especially in public safety. Of these partnerships, there are none better than our friends at Joint Base Lewis-McChord, starting with the Commanding General of [I Corps](#), Major General Xavier Brunson and his incredible team. The spearhead of this partnership over the past two years has been Colonel Robert B. McNellis, Commanding Officer of the [42nd Military Police Brigade](#). As Colonel McNellis prepares for his change of command in the coming months, it was our honor to present him with the first DPD PARTNERSHIP AWARD for 2023. A few highlights of Colonel McNellis' outstanding leadership and outreach efforts with DPD include:

- Supporting and assisting with the creation and “roll out” of DPD’s Military Support Vehicle (a patrol car specially designed with graphics honoring our military community and bringing awareness to veteran crisis resources).
- Allowing DPD to host the Armed Forces Disciplinary Control Board meetings (The goal of the Board is to make recommendations to commanders on matters related to eliminating conditions adversely affecting the health, safety, morale and discipline for the Armed Forces).
- Working with DPD on public safety matters affecting military families living off post in the City of DuPont.
- Supporting the JBLM Police Department in participating in joint training with DPD.
- Supporting and including DPD in numerous community events and military outreach efforts.

Lastly, Colonel McNellis has become a friend of DPD – always available, whether it be for a quick phone call or a formal meeting, truly embodying the motto of his own brigade: “Integrity of Action.” Colonel McNellis, you will be missed, but we look forward to working with, and supporting, the incoming commander of the 42D Military Police Brigade. Thank you for all that you have done behind the scenes to support DPD and the City of DuPont!
