Vehicle Break-In & Theft Prevention Tips

PARK IN A WELL-LIT AREA OR GARAGE

Thieves may be deterred if they know they can easily be seen.

DON'T LEAVE VALUABLES IN YOUR CAR

One way to attract a thief is to leave a purse or wallet, cell phone, military gear, laptop, keys, or other high value items in a visible area of your vehicle.

REMOVE YOUR KEYS

If your key is in the ignition, a thief can simply break a window and drive off. Never leave an unattended vehicle running.

CLOSE YOUR WINDOWS

Keep your windows closed completely. A thief can easily reach into your car through an open window.

LOCK YOUR VEHICLE

Locking your vehicle doors is an important step in deterring a thief.

BE AWARE OF YOUR SURROUNDINGS

If you're concerned about the safety of your vehicle or spot someone prowling around the parking lot or neighborhood, park somewhere else if possible. Report suspicious activity immediately!
