# Vehicle Break-In & Theft Prevention Tips

## **PARK IN A WELL-LIT AREA OR GARAGE**

Thieves may be deterred if they know they can easily be seen.

## **DON'T LEAVE VALUABLES IN YOUR CAR**

One way to attract a thief is to leave a purse or wallet, cell phone, military gear, laptop, keys, or other high value items in a visible area of your vehicle.

## **REMOVE YOUR KEYS**

If your key is in the ignition, a thief can simply break a window and drive off. Never leave an unattended vehicle running.

## **CLOSE YOUR WINDOWS**

Keep your windows closed completely. A thief can easily reach into your car through an open window.

## **LOCK YOUR VEHICLE**

Locking your vehicle doors is an important step in deterring a thief.

## **BE AWARE OF YOUR SURROUNDINGS**

If you're concerned about the safety of your vehicle or spot someone prowling around the parking lot or neighborhood, park somewhere else if possible. Report suspicious activity immediately!
