VEHICLE BREAK-IN & THEFT PREVENTION TIPS

PARK IN A WELL-LIT AREA OR GARAGE

Thieves may be deterred if they know they can easily be seen.

DON'T LEAVE VALUABLES IN YOUR CAR

One way to attract a thief is to leave a purse or wallet, cell phone, military gear, laptop, or other high value items in a visible area of your vehicle. Thieves are easily enticed!

REMOVE YOUR KEYS

If your key is in the vehicle, a thief can simply break a window and drive off. Never leave an unattended vehicle running.

CLOSE YOUR WINDOWS

Keep your windows closed completely. A thief can easily reach into your vehicle through an open window.

LOCK YOUR VEHICLE

Locking your vehicle doors is an important step in deterring a thief.

BE AWARE OF YOUR SURROUNDINGS

If you're concerned about the safety of your vehicle or spot someone prowling around the area, park somewhere else if possible. Report suspicious activity immediately!
