

# CITY OF DUPONT'S WEEKLY BITS & BYTES

## Friday, March 15, 2024

### Mayor Ron Frederick awarded Advanced Certificate of Municipal Leadership

Mayor Frederick recently earned an Advanced Certificate of Municipal Leadership from the Association of Washington Cities (AWC).

AWC's Certificate of Municipal Leadership program recognizes city and town elected officials for accomplishing training in five core areas:

- *Roles, responsibilities, and legal requirements*
- *Public sector resource management*
- *Community planning and development*
- *Effective local leadership*
- *Diversity, equity, inclusion, and belonging*

Those who earn the advanced certificate have continued to strive for excellence by attending conferences and trainings, serving their community, and further developing leadership skills.

"Being a city leader in Washington is a complex job," said AWC CEO Deanna Dawson. "Through our Advanced CML program we are providing our elected officials with the knowledge they need to effectively operate within the law, plan for the future, secure and manage funds, foster strong relationships, and work to build more equitable communities."

To earn the Advanced Certificate of Municipal Leadership, Mayor Frederick completed more than 60 hours of training and demonstrated local community service.

AWC serves its members through advocacy, education, and services. Founded in 1933, AWC is a private, nonprofit, nonpartisan corporation that represents Washington's 281 cities and towns before the state legislature, the state executive branch, and with regulatory agencies. AWC also provides training, data and publications, and programs such as the AWC Employee Benefit Trust, AWC Risk Management Service Agency, AWC Workers' Comp Retro, AWC Drug and Alcohol Consortium, and AWC GIS Consortium.

### PFAS Grant Money Awarded

Due to the hard work and tremendous advocacy of our State Representative, Mari Leavitt, the City of DuPont will receive \$855,000 for its PFAS construction project. This money is in addition to the \$5,950,000 Representative Leavitt secured for the City in the 2022 budget.

Thank you, Representative Leavitt!

In total, the City has been successful in receiving \$7,300,000 in grant funds to construct the two new treatment systems to remove PFAS (Per-and Polyfluoroalkyl Substances) that are a group of manufactured chemicals that have been used in various industries and consumer products since the 1940s. The City has been proactive in testing the water supply and actively working to keep PFAS levels below the State Health Standards. Even before the state or federal government established safe levels for PFAS, the City began designing and planning the construction of two granular activated carbon absorbers to remove PFAS from drinking water.

"The City of DuPont is grateful to Representative Leavitt for her tremendous efforts in securing this funding for the city," said Mayor Frederick.

March 2 - May 4, 2024

**\$150**  
10 weeks

DuPont Community Center -  
303 Barksdale Ave. DuPont WA 98327

### About the Instructor

Masha Power has received the highest certification, E-RYT500, with the Yoga Alliance. She is also a Certified Clinical Yoga Therapist and Integrative Health Coach

### Gentle Yoga Classes

**Saturdays, 7:30 AM - 8:30 AM**  
**March 2 - May 4, 2024**

Gentle yoga is designed for those new to yoga or those who like a slow-paced practice that incorporates traditional postures and breath techniques. This 60-minute practice is focused on alignment, strength, balance, and flexibility, but in a very gentle way with the use of props and modifications. We will move gradually in and out of each posture until finding a holding position. This gentle movement protects and nurtures the joints, muscles, and connective tissue.

### DuPont Historical Society & Museum presents Reading & book signing by Mike Courts

*Letters from Baghdad Vol. 2 Herding Cats* continues documenting COL (Ret) Mike Courts' Iraq experiences through weekly letters. During the 2009-2010 period, Mike deployed as Deputy Chief of Staff (DCOS) for I Corps.

As 2009 began, the United States moved from the Bush to the Obama Administration. The Iraq mission moved from a multi-national effort to a U.S.-only mission. As the U.S. began a planned drawdown, six major HQs were consolidated into one.

207 Barksdale Ave.  
DuPont WA

A large staff provided drama and comedy, as life in the Al Faw Palace on Victory Base was never dull. Vol 2 contains weekly lessons learned that assist readers in understanding the broader implications of the U.S. mission in Iraq.

A resident of DuPont, Mike Courts was raised in an Army family and graduated from the US Military Academy at West Point. Mike is a career Army Aviator who has two tours each in Bosnia-Herzegovina and Iraq. He was DuPont City Councilman 2012-15 and Mayor 2016-19. He is married to Robbie B. Courts and has two children.

## I-5 - Mounts Rd. to Steilacoom-DuPont Rd. Corridor Improvements

Beginning in late summer 2023, contractor crews working for the Washington State Department of Transportation will begin construction on Interstate 5 in DuPont near Joint Base Lewis-McChord. This is the third in a series of projects that widens I-5 to add HOV lanes between DuPont and Lakewood.

### Improvements coming to DuPont and JBLM

In addition to extending the I-5 HOV lanes, construction crews will make improvements that enhance mobility and safety in DuPont and near the JBLM DuPont Gate at exit 119, including:

- A new bridge spanning I-5 and the railroad. The new bridge will feature a partial Diverging Diamond Interchange and a shared-use path for pedestrians and bicyclists between JBLM and DuPont.
- Direct access between JBLM and both directions of I-5.
- A new roundabout connecting Steilacoom-DuPont Road and the new overpass.

The project will also add a new signal at the intersection of the southbound I-5 off-ramp at Mounts Road (exit 116) and improve the I-5 vertical clearance over Pendleton Avenue.

### What you can expect

Construction will begin in summer 2023 and is expected to be complete in 2026. The project consists of multiple stages that involve overnight and weekend ramp closures, lane shifts onto temporary pavement, potential speed limit reductions, and bicycle and pedestrian detours. Crews will contain dust and debris to the construction site and will minimize noise as much as practical. Clear signage will indicate required detours throughout the project.

### Around the Town – March 2024

Magical. This is the perfect word to describe SHSD's kindergarten classroom environments. In our school district, we have 10 joyful kindergarten classrooms and are proud of how our kindergarten teachers possess a special knack for connecting with young children. Their warmth, patience, and enthusiasm help create a bond between teacher and student, fostering a sense of trust and security in the classroom.

I have the pleasure of volunteering in a kindergarten classroom every Friday afternoon and it is the absolute best part of my week. The kindergarten teacher is incredibly talented and I am so grateful I have the opportunity to be in her presence, to see firsthand how she works magic with her students each day.

Kindergarten is a time of many "firsts" for children – their first day of school, their first friendships, their first discoveries. These milestone moments are filled with excitement and wonder, making the kindergarten classroom a truly magical place where memories are made. At a recent Kindergarten Literacy Night, kindergarten staff united to share resources with families. The event highlighted the essential language and literacy skills students develop in our purposeful classrooms.

If you know a child that will be 5 years old by August 31, 2024, now is the time to enroll them in one of our kindergarten programs for the 2024-25 school year. Early enrollment helps us plan for the school year and ensures families receive communications throughout the spring and summer.

Enrollment can easily be completed online. Check out our website for more info: [www.steilacoom.k12.wa.us/enrollment](http://www.steilacoom.k12.wa.us/enrollment). If you have questions, our Enrollment Department is always available to help! You can reach them at [enrollment@steilacoom.k12.wa.us](mailto:enrollment@steilacoom.k12.wa.us).

We cannot wait to meet our future kindergartners! Thank you for helping us spread the word about kindergarten registration.

## The City of DuPont Recognized as 2023 Best Commuter Business

*Ride Together Pierce's Best Commuter Business Leadership Program Recognizes Employers for Supporting Sustainable Transportation Options*

Pierce County's Commute Trip Reduction program, Ride Together Pierce, recently announced the City of DuPont as one of the county's Best Commuter Businesses of 2023. This designation recognizes the City of DuPont Employee's commitment to reducing car congestion, fuel consumption and air and water pollution in our region. This was accomplished through providing commuter benefits to our employees, engaging with our employees to promote sustainable transportation options, and successfully reducing the number of employees driving to work alone.

The City of DuPont is one of 28 employers across Pierce County to receive this award for the year 2023. Since the program's inception in 2019, Ride Together Pierce's Best Commuter Business leadership program has recognized over 31 unique employers and over 48 worksites across Pierce County with a bronze, silver or gold level designation.

Ride Together Pierce works with local jurisdictions, employers, and schools to develop transportation solutions through programming and marketing strategies. The Best Commuter Business leadership program recognizes employers' efforts to reducing drive-alone rates and provides employers with a roadmap to improving their commuter benefits. Strong commuter benefits attract and retain top talent, reduce employee parking demand, and demonstrate environmental responsibility. Supporting sustainable transportation options also assists with employers' equity efforts and aids the local economy.

## Information Release

Over the weekend, your City of DuPont Fire Department responded with JBLM to a fatal vehicle accident with fire. DuPont was the first fire engine to arrive and extinguished the fire.

Madigan Ambulance transported one seriously injured person from the car, and JBLM units assisted Engine-25 and evaluation of other patients.

DuPont Fire remained on the scene to overhaul the car fire and assisted WSP with traffic. This is the second fatal vehicle accident that Dupont Fire has responded to in recent weeks.

Our thoughts and prayers go out to the families of the victims of these tragic accidents.

## Safety Message - Key tips to safely tackle spring cleaning.

As warmer weather nears NFPA offers 6 key tips to safely tackle spring cleaning.

By Susan McKelvey 05-Apr-2022

Melted snow, budding trees, longer days: they're all signs that the warmer months are nearing. For many of us, these seasonal hallmarks are reminders to start spring cleaning in and around our homes.

As people power up their lawnmowers, rake up debris, touch up chipped paint, and take on myriad projects to get their homes and yards ready for the months ahead, following are six key practices and supporting recommendations to help minimize the risk of fires and associated hazards: (continued on the next page)

## Properly use and store gasoline

- Use gasoline only as motor fuel, never as a cleaner or to break down grease.
- Only store gasoline in a container that is sold for that purpose and never bring it indoors, even in small amounts.
- Never store gasoline containers in a basement or in the occupied space of a building. Keep them in a detached garage or an outdoor shed.
- Make sure the container is tightly capped when not in use.

## Carefully dispose of rags with paint and stain

The oils commonly used in oil-based paints and stains release heat as they dry. If the heat is not released in the air as the rags dry, the heat is trapped, builds up and can cause a fire.

- Never leave cleaning rags in a pile. When you're finished using the rags, take them outside to dry, keeping them well away from the home and other structures.
- Hang rags outside or spread them on the ground and weigh them down so that they don't blow away.
- Put dried rags in a metal container, making sure the container is tightly covered. Fill the container with a water and detergent solution, which will break down the oils.
- Keep containers of oily rags in a cool place out of direct sunlight and away from other heat sources. Check with your town for information on how to properly dispose of them.

## Use/store flammable and combustible liquids with care

- Flammable and combustible liquids should not be used near an open flame.
- Never smoke when working with these liquids.
- If you spill liquids on your clothing, remove your clothing and place it outside to dry. Once dry, clothing can be laundered.
- Keep liquids in their original containers. Keep them tightly capped or sealed. Never store the liquids in glass containers.

## Inspect grills to ensure they're in good working order

- Inspect your grill carefully and make sure it's free of grease or fat buildup. Clean out any nests, spider webs, or other debris you may find.
- For propane grills, check the gas tank hose for leaks before using it for the first time each year.

## Keep debris well away from your home

Every year, wildfires burn across the U.S., with more and more people living in communities where wildfires are a real risk.

- Dispose of branches, weeds, leaves, pine needles, and grass clippings to reduce fuel for fire.
- Remove leaves, pine needles, and other flammable material from the roof, gutters, and on or under the deck to help prevent embers from igniting your home.
- Remove dead vegetation and other flammable materials, especially within the first five feet of the home.
- Move construction material, trash, and woodpiles at least 30 feet away from the home and other outbuildings.

## Clean out your clothes dryer

- Make sure the air exhaust vent pipe for your dryer is not restricted and that the outdoor vent flap will open when the dryer is operating. This includes making sure the outdoor vent flap is not covered by snow.
- Move things that can burn, such as boxes, cleaning supplies and clothing, away from the dryer.
- Clothes that have come in contact with flammable substances like gasoline, paint thinner, or similar solvents should
