Gentle Yoga Classes

Saturdays, 7:30 AM - 8:30 AM

March 2 - May 4, 2024

Gentle yoga is designed for those new to yoga or those who like a slow-paced practice that incorporates traditional postures and breath techniques. This 60-minute practice is focused on alignment, strength, balance, and flexibility, but in a very gentle way with the use of props and modifications.

We will move gradually in and out of each posture until finding a holding position. This gentle movement protects and nurtures the joints, muscles, and connective tissue.

DuPont Historical Museum

DuPont Historical Society & Museum presents Reading & book signing by Mike Courts

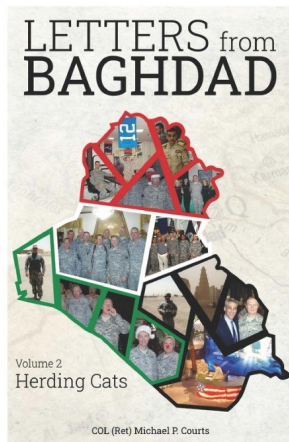

Letters from Baghdad Vol. 2 Herding Cats continues documenting COL (Ret) Mike Courts' Iraq experiences through weekly letters. During the 2009-2010 period, Mike deployed as Deputy Chief of Staff (DCOS) for I Corps.

As 2009 began, the United States moved from the Bush to the Obama Administration. The Iraq mission moved from a multi-national effort to a U.S.-only mission. As the U.S. began a planned drawdown, six major HQs were consolidated into one.

**6:30 p.m.
Wednesday
April 24, 2024**
DuPont Museum
207 Barksdale Ave.
DuPont WA

A large staff provided drama and comedy, as life in the Al Faw Palace on Victory Base was never dull.

Vol 2 contains weekly lessons learned that assist readers in understanding the broader implications of the U.S. mission in Iraq.

A resident of DuPont, Mike Courts was raised in an Army family and graduated from the US Military Academy at West Point. Mike is a career Army Aviator who has two tours each in Bosnia-Herzegovina and Iraq. He was DuPont City Councilman 2012-15 and Mayor 2016-19. He is married to Robbie B. Courts and has two children.

AUGUST 2023

I-5 - Mounts Rd. to Steilacoom-DuPont Rd. Corridor Improvements

Beginning in late summer 2023, contractor crews working for the Washington State Department of Transportation will begin construction on Interstate 5 in DuPont near Joint Base Lewis-McChord. This is the third in a series of projects that widens I-5 to add HOV lanes between DuPont and Lakewood.

Improvements coming to DuPont and JBLM

In addition to extending the I-5 HOV lanes, construction crews will make improvements that enhance mobility and safety in DuPont and near the JBLM DuPont Gate at exit 119, including:

- A new bridge spanning I-5 and the railroad. The new bridge will feature a partial Diverging Diamond Interchange and a shared-use path for pedestrians and bicyclists between JBLM and DuPont.
- Direct access between JBLM and both directions of I-5.
- A new roundabout connecting Steilacoom-DuPont Road and the new overpass.

The project will also add a new signal at the intersection of the southbound I-5 off-ramp at Mounts Road (exit 116) and improve the I-5 vertical clearance over Pendleton Avenue.

What you can expect

Construction will begin in summer 2023 and is expected to be complete in 2026. The project consists of multiple stages that involve overnight and weekend ramp closures, lane shifts onto temporary pavement, potential speed limit reductions, and bicycle and pedestrian detours. Crews will contain dust and debris to the construction site and will minimize noise as much as practical. Clear signage will indicate required detours throughout the project.

The project extends HOV lanes in both directions into DuPont.

WUI Code Update

The Wildland Urban Interface (WUI) Code will no longer be adopted by the state; an emergency rule was filed on March 15, 2024 at the last State Building Code Council meeting. The reason for this emergency rule was in response to bi-partisan bill ESB 6120. Final passage of the bill in question was February 29th, and the bill was sent to the Governor's office for signature on March 11th.

This bill will require new mapping to be created by the Department of Natural Resources (DNR). DNR is now required to produce maps based on hazard and risk. Based on the legislation, upon completion of those maps, the state will re-evaluate the adoption. If you have any questions, feel free to contact Ray Shipman, the Building Official for the City of DuPont.

Update

Building Code Update

Effective March 15, 2024, the adopted Building Codes for the State of the Washington have changed. The 2021 edition of the Codes will replace the 2018 edition. In the City of DuPont, all building permit application plans and supporting documentation must comply with the adopted 2021 Washington State Building Code beginning on March 15, 2024.

Community News

The Steilacoom Historical School District was one of the leaders in advocating for the 2023 legislation to establish the Purple Star Award Program in our state. Washington state is home to thousands of military-connected families, which our school district is proud to serve. The award recognizes school districts that have incorporated military-friendly practices and demonstrate a commitment to military-connected students and families.

To receive the award, school districts must successfully address the educational, social, and emotional barriers that students may experience when their parents/guardians are deployed or when relocating and transferring to a different school. School districts must also demonstrate a commitment to military-connected families and students by providing students with the tools and supports needed for success in their education and in their futures.

Steilacoom Historical School District (SHSD) is one of 12 school districts across Washington to earn the Purple Star Award in 2024. Our district will retain the designation for two years.

SHSD is proud to support our military-connected families throughout the year, with a special focus during the month of April. The Steilacoom Historical School District Board of Directors recently passed Resolution 919-03-20-24 declaring April the Month of the Military Child. The district, in conjunction with community partners, planned an exciting month of celebrations designed to bring all our military and civilian families together for fun-filled activities and resource sharing.

Thank you for supporting military families and their students. To be recognized for our dedication to student well-being and achievement is an honor.

Sincerely,

K. Weight

Dr. Kathi Weight, Superintendent

Doing laundry is most likely part of your every day routine. But did you know how important taking care of your clothes dryer is to the safety of your home? With a few simple safety tips you can help prevent a clothes dryer fire.

- Have your dryer installed and serviced by a professional.
- Do not use the dryer without a lint filter.
- Make sure you clean the lint filter before or after each load of laundry. Remove lint that has collected around the drum.
- Rigid or flexible metal venting material should be used to sustain proper air flow and drying time.
- Make sure the air exhaust vent pipe is not restricted and the outdoor vent flap will open when the dryer is operating. Once a year, or more often if you notice that it is taking longer than normal for your clothes to dry, clean lint out of the vent pipe or have a dryer lint removal service do it for you.
- Keep dryers in good working order. Gas dryers should be inspected by a qualified professional to make sure that the gas line and connection are intact and free of leaks.
- Make sure the right plug and outlet are used and that the machine is connected properly.
- Follow the manufacturer's operating instructions and don't overload your dryer.
- Turn the dryer off if you leave home or when you go to bed.

AND DON'T FORGET.....

Dryers should be properly **grounded**.

Check the **outdoor vent** flap to make sure it is not covered by snow.

Keep the area around your dryer **clear** of things that can burn, like boxes, cleaning supplies and clothing, etc.

Clothes that have come in contact with **flammable substances**, like gasoline, paint thinner, or similar solvents should be laid outside to dry, then can be washed and dried as usual.

Ask Duke

By Duke Newman

Wednesday, April 3, 2024

Dear Duke,
I love my dog Fido and want him to be happy! We often go for walks around the neighborhood and sometimes I see other dogs walking without a leash. Should I let him off leash, too? I mean..would he be happier if I let him run free? I'm torn - please help!

Sincerely,
Devoted to Dogs

Dear Devoted,
First of all, thanks for being such a caring canine parent! As a dog myself, I have a special place in my heart for people like you. It sounds like you want Fido to live his best life, and while it may seem like a good idea to let him "run like someone left the gate open," that's not necessarily what's best for him. My advice to you is to keep Fido on his leash, and here's why:

- You can protect Fido from accidental ingestion of dangerous substances.
- You can control his speed, which reduces the chance of injury.
- You can keep him at a safe distance from other dogs or animals, who could potentially attack Fido.
- When Fido is under your control, he's less likely to get into something he's not supposed to.
- Take it from me - dogs like to chase! Bikes, squirrels, cars, etc. Keeping Fido on a leash protects everyone, including him.
- Just because Fido is friendly does not mean EVERY dog is friendly.
- And lastly, It's the law (which means you might be subject to fines - yikes!)

To sum it up, keeping Fido on a leash is one of the best ways to ensure he stays safe and happy for many dog years to come.

And remember, friends...
Always be the person your dog thinks you are!

DUPONT DOG LOVERS: "ASK DUKE"

Spring has sprung, and with it – our furry friends are out and about. Your friends at DPD are animal lovers too, and we are pleased to introduce one of our four-legged volunteers - Canine Correspondent Extraordinaire, Duke!

Duke (a rescue adoption, and an important member of Chief Newman's family) is here to impart his wisdom, experience and some friendly reminders of the ordinances and laws regarding pets in our community.

Enjoy the first edition of this "advice column," and stay tuned for more from Duke and other DPD furry family members...Atta boy, Duke!

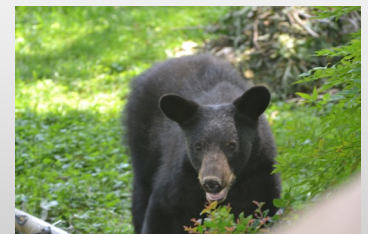

FOR PUBLIC AWARENESS:

DPD has received several reports of bear sightings in the Hoffman Hill and Palisade areas of DuPont. Washington Department of Fish and Wildlife (WDFW) has been notified.

Bears tend to avoid humans; however, prevention is the best advice. Access to food sources is the number one reason for conflict – Pet food, bird feeders and unsecured trash are some of the things that could attract a bear. When possible, put your garbage out shortly before the truck arrives.

If you're walking the DuPont trails, never travel alone, keep small children near you at all times, and always make your presence known by talking or making loud noises. Report any sightings to 9-1-1 and remember to keep a safe distance if you encounter a bear.

For more information on black bears, please visit the WDFW website at: [Black bear | Washington Department of Fish & Wildlife](#)
