

CITY OF DUPONT'S WEEKLY BITS & BYTES

Friday, September 6, 2024

City News

OFFICE OF THE MAYOR
CITY OF DUPONT

RONALD J. FREDERICK
MAYOR

PROCLAMATION

WHEREAS, September is known as Suicide Prevention Month, a time in which mental health advocates, individuals, prevention organizations, survivors, allies, and communities around the country unite to promote suicide prevention awareness; and

WHEREAS, suicide is a serious public health problem that has long-lasting effects on individuals, families, and communities; and

WHEREAS, suicide is a public health problem that is preventable through the implementation of strategies at all levels of society; these strategies include strengthening economic supports, creating protective environments, improving the access and delivery of suicide care, promoting healthy connections, teaching coping and problem-solving skills, and identifying and supporting people at risk, including learning the warning signs and committing to social change; and

WHEREAS, creating social change starts with the erosion of stigmas about seeking mental health treatment and the removal of barriers to access community resources, which is exceedingly important with suicide being the 2nd leading cause of death among people aged 10-14, the 3rd leading cause of death among those aged 15-24, and the 12th leading cause of death overall in the United States; and

WHEREAS, Veterans Affairs reported veteran suicide rates increased 55 percent from 2001 to 2019, and veterans are one-and-a-half times more likely to die by suicide than those who have not served, depriving family, friends, and community members of countless years of love and memories with those who have honorably served our nation; and

WHEREAS, the National Suicide Prevention Lifeline implemented the 988 dialing code system in July 2022 to provide direct, life-saving services to all in need; simply call or text '988' if you or a loved one is experiencing a mental health or suicide-related crisis; and

WHEREAS, September is recognized across the United States as Suicide Prevention Month and provides the opportunity to educate our community about the warning signs for suicide and how to reach out and connect to those experiencing emotional crisis.

NOW, THEREFORE, BE IT RESOLVED THAT I, Ronald J. Frederick, Mayor of the City of DuPont, Washington, do hereby proclaim September 2024 as

National Suicide Prevention Month

in the City of DuPont and call its observance to all residents.

Signed this 5th day of September 2024.

Ronald J. Frederick, Mayor

<https://www.dupontwa.gov/549/Youth-Sports>

DuPont Historical Museum

The DuPont Historical Society will be hosting their Spooky Stories event again in September on **Friday the 13th!** The story teller will once again be Chris from Pretty Gritty Tours who will recount haunted tales from Pierce County's history. Tickets for this event can be purchased at the museum prior to the event and at the door of the event. This event is aimed at ages 12 and up with adult supervision.

[DuPont History Museum | Events \(dupontmuseum.com\)](https://www.dupontmuseum.com)

A poster for the 'Spooky Stories' event. It features a calendar icon for Friday the 13th, the DuPont Historical Society logo, and a circular graphic with 'Tickets \$7'. The text includes: 'Spooky Stories', 'MYSTERIOUS, UNEXPLAINED, & GHOSTLY HAPPENINGS OF PIERCE COUNTY', 'by Chris Staudinger of Pretty Gritty Tours', 'Friday, September 13th, 2024', 'Clocktower Park Dupont, WA', 'arrive by 6:45 p.m.', 'bring your own chair', 'hot cider & treats ages 12 and up costumes encouraged', and 'Purrr-chase your tickets in advance to help us plan: (253) 820-3656 DuPontHistoricalMuseum@gmail.com'. There is also a QR code and a black cat illustration.

Public Services

WSDOT: I-5 corridor improvements project near Joint Base Lewis-McChord hits one-year milestone and shifts into new stage

We're that much closer to a new and improved Interstate 5 near JBLM!

Since August 2023, construction crews have been working hard near DuPont. They have been constructing the foundations for major upgrades to I-5. There has been a lot of other work to improve how people get to the interstate and how they get onto the highway.

These improvements down the road will include a new overpass, extended HOV lanes in both directions of I-5, and a roundabout on Steilacoom-DuPont Road. More information is available via our [blog](#).

City News

Want to know how to make a public comment at a City Council Meeting?

Public Comment at City Council Meetings

The DuPont City Council provides opportunities for public comment at their meetings. The public can comment in various ways: in person, in writing, or remotely using audio / visual technology.

The public is welcome to attend meetings in person to make public comment and submit written comments, as has been allowed in the past. In addition, since 2020, the City of DuPont uses the Zoom platform for the public to attend meetings remotely.

The City Council has recently made changes to the City Council Rules of Procedure, revised on July 9, 2024, regarding making public comment remotely using audio / visual technology. The recent change requires requesting access prior to the meeting.

To provide public comment using Zoom, send an email to the City Clerk (kmuir@dupontwa.gov) no later than 10:00 A.M. on the meeting day. Include the following in the email request: the first and last name, the phone number that will be used to call in, and the email address of the caller. Also identify the agenda item (s) the caller wishes to speak about (Public Comment, near the beginning of the meeting; New Business, if there is new business listed on the agenda; and / or Public Hearing, if there is a public hearing listed on the agenda).

A request for remote access can be made after 10:00 A.M. on a meeting day only when an explanation of why the deadline of 10:00 A.M. could not be met. In these cases, the City Clerk or the Mayor may deny the late request at their discretion.

Instructions with the Zoom link, the meeting ID, and password will be sent to the provided email address prior to the start of the meeting. (Requests for access directed to any City official or employee other than the City Clerk, shall be denied.)

For the full details, please review Chapter 4.4 Public Comments, found at <https://www.dupontwa.gov/DocumentCenter/View/7993/City-Council-Rules-of-Procedure-revised-06-09-2024>.

Community News

DuPont Community Yard Sale

The Citywide Yard Sale date is **Saturday, September 14**. As a reminder, this is not a city sponsored event. Residents are responsible for their own advertising and must take their signs down after the sale.

2024 Fall Cleanup

The City of DuPont in coordination with LeMay Pierce County Refuse is offering a Community Cleanup of your unwanted materials on:

**Saturday, October 12, 2024
8:00 AM**

Curbside pickup only. There will be no bulk waste drop-off site.

Curbside Pickup:

- Place your unwanted materials in bags or boxes and please do not exceed 45lbs each.
- Please leave items at your normal pickup location **by 8:00 a.m.** so the garbage trucks can start the cleanup!
- Make sure your bags or boxes are properly closed so they are wind and animal proof.
- **Please.....NO HAZARDOUS MATERIALS!**
 - Hazardous materials are: Antifreeze, Flammable Liquids, Fluorescent Bulbs, Compact Fluorescent Light Bulbs, Batteries, Oil Based Paints, Insecticides, Yard & Garden Chemicals, Etc.

Let us all do our part to keep the City Clean!

Additional information for services not provided by curbside pickup

Safety Message - What is Fire Safety?

Fire safety refers to the set of precautions, procedures, and measures taken to prevent fires, minimize the risk of fire-related accidents, and ensure the safety of individuals and property in the event of a fire. It involves a combination of awareness, preparedness, and proper safety practices to prevent fires from occurring and mitigate their impact if they do happen.

Importance

According to the US National Safety Council (NSC), the leading causes of home fires and injuries are cooking and heating. Thus, fire safety at home should be prioritized by practicing safety tips and protocols when using electrical appliances, cooking equipment, and others that may be fire hazards.

In addition, 2021 data from the US Fire Administration states that 116,500 non-residential building fires led to 1,025 injuries and 115 deaths. This is just one reason to implement fire safety at home and in the workplace that have a negative impact of fire-related incidents.

Moreover, fire safety is of paramount importance for the following reasons:

Preserving life – Implementing measures helps protect individuals from harm and ensures their well-being.

Protecting property – By following fire safety protocols, there's minimal risk of property loss and destruction, potentially saving valuable assets and investments.

Preventing financial losses – Adequate measures reduce the risk of fire-related damages, avoiding financial burdens associated with property damage, repairs, and insurance claims.

DuPont Fire Department *(What is Fire Safety Continued...)*

Safeguarding the environment – Since fires can release toxic gases and pollutants and destroy natural habitats, fire safety practices can prevent such incidents and minimize harm to the environment.

Ensuring business continuity – By safeguarding the workplace against fires, businesses can protect their employees, maintain productivity, and avoid costly downtime.

Promoting public safety – By prioritizing fire safety, communities can create a safer environment for everyone, reducing the overall risk of fire-related accidents and emergencies.

Fire Hazards to Look Out For:

The following are some common examples of fire hazards in residential, workplace, or public settings:

Electrical hazards – faulty wiring, overloaded circuits, damaged electrical cords, and malfunctioning electrical equipment.

Cooking-related hazards – grease buildup, unattended cooking, and misuse of cooking appliances.

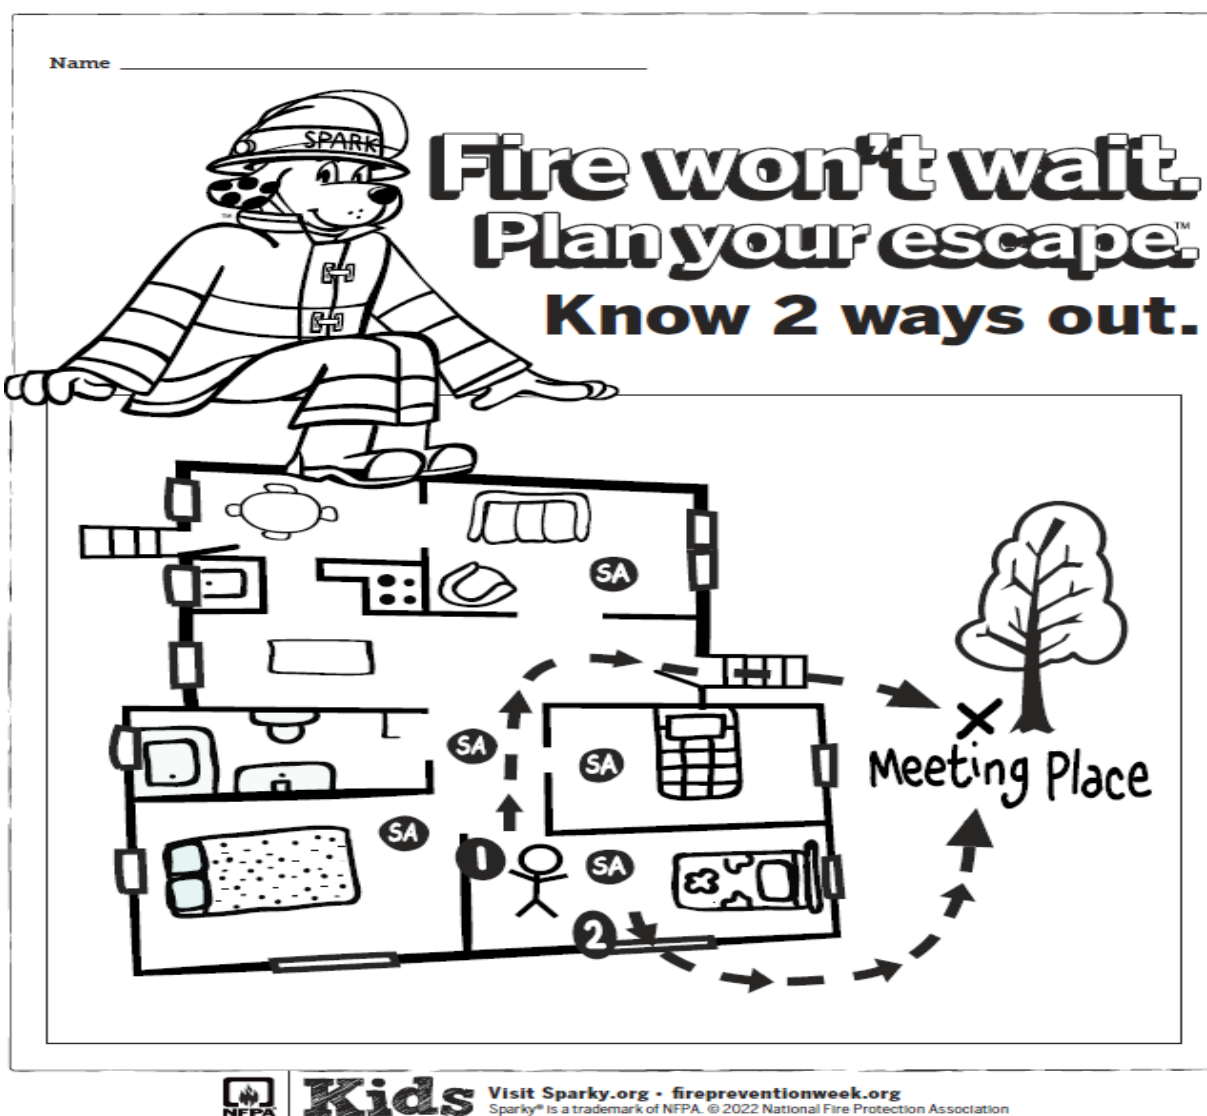

Heating sources – improper use of heating devices such as portable heaters, fireplaces, and wood-burning stoves.

Flammable liquids and chemicals – gasoline, paint thinners, and solvents.

Smoking – careless disposal of cigarette butts and smoking materials.

Open flames – unattended candles, incense, and open flames.

Flammable materials – paper, cardboard, textiles, and flammable gasses.

Weekly Activity Report

*Duty * Professionalism * Dedication*

Total Calls for Service 8/26/24 – 8/01/24: 215
Average per day: 30.71

The "Total Calls for Service" statistic above includes, but is not limited to, the following incidents:
