#### Lodging Tax Advisory Committee Grant Applications

#### 2025 Part A Lodging Tax Advisory Committee (LTAC) Grant Applications Now Open!

City of DuPont LTAC grant applications (for activities in 2025) will be accepted from October 15, 2024, until November 8, 2024, at 4:00 p.m. Applications submitted after the deadline will not be considered for grant funding. To apply, click here: [https://portal.laserfiche.com/t7629/forms/LTAC\\_Application](https://portal.laserfiche.com/t7629/forms/LTAC_Application)

LTAC grant funding is available to non-profits and public agencies for projects that assist with tourism development and promotion in the City of DuPont. The grant program is made possible through taxes paid by consumers when they stay in paid lodging in the City of DuPont and overseen by the Lodging Tax Advisory Committee. To learn more about LTAC Grants please read the Grant Guidelines: <https://www.dupontwa.gov/DocumentCenter/View/1631/Appendix-B-Guidelines-for-Use-of-Lodging-Tax-Revenue?bidId=>

More information can be found on the Lodging Tax Advisory Committee Page: <https://www.dupontwa.gov/87/Lodging-Tax-Advisory-Committee>

Please contact Finance Director Carma Oaksmith at [COaksmith@dupontwa.gov](mailto:COaksmith@dupontwa.gov) if you have any questions.

### UPCOMING OFFICE CLOSURES

Reminder: City Hall will be closed Monday, November 11th in honor of Veterans Day and Thursday, November 28th and Friday, November 29th in celebration of Thanksgiving.

### Public Services

#### Fall Leaves

We'll all agree the fall-colored leaves bring added beauty to the wonderful City of DuPont, yet they also cause a lot of yard work.

Please be responsible for the leaves that fall in your yard and on the sidewalks in front of your homes, and do not blow them into the street. Instead, please put them in your yard waste receptacles. Work with your neighbors to make sure storm drains are clear. Keeping leaves raked and cleaned up will keep gutters and streets from filling up with water. Street sweepers will be coming by in the coming weeks (please see schedule below), so let's do our part to help ensure the streets are clear of leaves and debris. Thank you, residents!

## I-5 - Mounts Rd. to Steilacoom-DuPont Rd. Corridor Improvements

Beginning in late summer 2023, contractor crews working for the Washington State Department of Transportation will begin construction on Interstate 5 in DuPont near Joint Base Lewis-McChord. This is the third in a series of projects that widens I-5 to add HOV lanes between DuPont and Lakewood.

### Improvements coming to DuPont and JBLM

In addition to extending the I-5 HOV lanes, construction crews will make improvements that enhance mobility and safety in DuPont and near the JBLM DuPont Gate at exit 119, including:

- A new bridge spanning I-5 and the railroad. The new bridge will feature a partial Diverging Diamond Interchange and a shared-use path for pedestrians and bicyclists between JBLM and DuPont.
- Direct access between JBLM and both directions of I-5.
- A new roundabout connecting Steilacoom-DuPont Road and the new overpass.

The project will also add a new signal at the intersection of the southbound I-5 off-ramp at Mounts Road (exit 116) and improve the I-5 vertical clearance over Pendleton Avenue.

### What you can expect

Construction will begin in summer 2023 and is expected to be complete in 2026. The project consists of multiple stages that involve overnight and weekend ramp closures, lane shifts onto temporary pavement, potential speed limit reductions, and bicycle and pedestrian detours. Crews will contain dust and debris to the construction site and will minimize noise as much as practical. Clear signage will indicate required detours throughout the project.

The project extends HOV lanes in both directions into DuPont.

## Community News

When I stepped into the role of superintendent, I was unprepared for the intense sense of pride that comes with leading a school district - especially in a military-connected community. Being part of a team that supports our military-connected community is an absolute privilege and the initial sense of pride I felt 12 years ago just continues to grow stronger with each passing year.

As a school system supporting over 40% military-connected students, we consider ourselves extremely fortunate to have these resilient young people in our schools. Steilacoom Historical School District is one of 12 school districts recognized by the state as a "Purple Star District". Purple Star Districts provide unique educational and social-emotional supports to students and their families as they transition to new schools.

SHSD prioritizes strong relationships in order to foster the cognitive, social, and emotional development of each student. We care deeply about the hearts and the minds of our learners and the Purple Star designation highlights our dedication to supporting our military-connected families.

In addition to the amazing programs aimed at ensuring a strong sense of belonging for military-connected students transitioning into our schools, we are extremely grateful for the opportunities we receive to directly impact students' academic trajectory.

SHSD has been awarded several Department of Defense Educational Activity (DoDEA) grants to support innovative programs that benefit all learners. DoDEA grants aim to enhance educational outcomes, reduce achievement gaps, and offer academic programs for districts with a high number of military-connected students. The District currently manages two DoDEA grants: one focused on the expansion of world language course offerings for students and another dedicated to early literacy enrichments in K-5. Our early literacy grant has allowed us to establish after-school Literacy Labs at our elementary schools, provide explicit and systematic phonics professional development for staff, and offer dyslexia certification for teachers through a partnership with Pacific University. In the first year of this incredible instructional initiative, we saw K-4 literacy scores increase by over 7%.

Our military-connected students bring so much joy to our schools and the unique support we receive as a military-connected community allows our school system to be innovative in addressing the social-emotional and academic needs of our students. We are grateful for our supportive community and appreciate these valuable opportunities, which directly benefit our students.

Dr. Kathi Weight,  
Superintendent

Yes  No

Do you exercise regularly?

Regular exercise builds your strength and improves your balance and coordination. Ask your doctor about the best physical exercise for you.

Yes  No

Do you take your time getting up to answer the phone or doorbell?

Being rushed or distracted increases your chance of falling. Get out of chairs slowly. Sit a moment before you get out of your bed. Stand and get your balance before you walk.

Yes  No

Do you keep walking areas and stairways clear of tripping hazards, such as papers, books, electrical cords, and shoes?

Keep stairs and walking areas free of electrical cords, shoes, clothing, books, magazines, and other piles of stuff.

Yes  No

In winter, are sidewalks, outdoor steps, and walkways clear of ice and snow?

Keep the walkways clear. If needed, ask for help with snow and ice removal.

Yes  No

Have you had your eyes checked?

See an eye specialist once a year. Poor vision can increase your chance of falling.

Yes  No

Do you have nightlights along the path between your bedroom and the bathroom?

Use nightlights to light the path between your bedroom and the bathroom.

Yes  No

Do you turn on the lights before you use the stairs?

Stairways should be well lit from both the top and the bottom. Turn on the lights before using the stairs.

Yes  No

Does every room have a light switch that can be reached from the doorway?

Make sure you can reach light switches from the doorway. Ask for help installing new light switches.

Yes  No

Are there non-slip mats in and outside bathtubs and showers?

Use non-slip bath mats in the bathtub and on shower floors.

# DuPont Fire Department

## PREVENT FALLS HOME SAFETY CHECKLIST

Yes  No

**Do you have grab bars in tubs, showers, and near all toilets?**

Grab bars should be installed in all bathrooms. Never use a towel rack or shower rod for support.

Yes  No

**Do you wipe up spilled liquids right away?**

Wipe up spilled liquids immediately. Even a few drops of liquid or grease can be a slipping hazard.

Yes  No

**Do your throw rugs have rubber, non-skid backing?**

Use only throw rugs that have rubber, non-skid backing. Smooth out all wrinkles and folds in carpeting.

Yes  No

**Do you have at least one smoke alarm on every level of your home, outside each sleeping area, and inside each bedroom?**

Have smoke alarms installed for each of these areas. Make sure alarms are interconnected so that when one sounds they all sound. If you are deaf or hard of hearing, special alarms are available.

Yes  No

**Do you test your smoke alarms monthly?**

Have someone test your smoke alarms once a month by pushing the test button. Batteries should be changed at least once a year or whenever the alarm "chirps" to tell you that the battery power is low. Replace all smoke alarms when they are 10 years old.

Yes  No

**If there was a fire in your home, would you know how to get outside?**

In a fire, get outside as quickly as you can and stay outside. Once you have escaped a fire, call the fire department from a neighbor's phone or a cell phone.

Yes  No

**Do you know two ways out of every room?**

If possible, know two ways out of every room in your home and two ways out of the home. Make sure windows and doors open easily. Windows with security bars, grills, and guards should have emergency release devices. Make sure furniture and other heavy objects are not blocking your exits. If you must escape through smoke, stay low and go under the smoke to your way out.

Yes  No

**Have you included anyone with a disability in your home in your escape planning and determined what assistance they would need to get out in an emergency?**

Include everyone in your home in the planning process. Develop your escape plan for their abilities. Practice the plan at least twice a year both during the day and at night.

Yes  No

**Is your carpeting in good condition?**

Make sure carpeting is not wrinkled, torn, or worn. If it is, ask for help repairing or replacing the carpeting.

Yes  No

**Are there sturdy, easy-to-grip handrails on both sides of the stairs?**

Have easy-to-grip handrails installed along the full length of both sides of the stairs

Yes  No

**Do you wear sturdy, well-fitting, low-heeled shoes with non-slip soles?**

Wear sturdy, well-fitting, low-heeled shoes with non-slip soles, which are safer than high heels, thick-soled athletic shoes, slippers, or stocking feet.

Yes  No

**Do you have a list of your current medication?**

Keep a list of your current medications, including over-the-counter ones, in a visible location like your refrigerator. Give your family member or caregiver a copy.

Yes  No  N/A

**Have you contacted your doctor or pharmacist if your medication affects your balance and coordination?**

Have your doctor or pharmacist review all your medications, including over-the-counter drugs. Some medications can affect your balance and coordination.

## PREVENT FIRES HOME SAFETY CHECKLIST

Yes  No

Yes  No  N/A

**Have you provided smoke alarms and alert devices (strobe lights or bed/pillow shakers) for people in your home who are deaf or hard of hearing?**

Smoke alarms and alert devices are available for people who are deaf or hard of hearing. Strobe lights throughout the home are activated by smoke alarms and alert people who are deaf to fire conditions. A high-intensity strobe light along with a pillow/bed shaker can wake them up and alert them to fire conditions so they can escape. Smoke alarm alert devices also are available for people who are hard of hearing. These accessories, which are activated by the sound of the smoke alarm, produce a loud, mixed low-pitched sound. People who are hard of hearing also may find a pillow/bed shaker helpful in waking them up.

Yes  No

**Do you know the emergency number to call in case of fire?**

Memorize this number. It may be 9-1-1 or the fire department's phone number. Once you escape, you will need to call from a neighbor's phone or a cell phone.

Yes  No

**Do you have a telephone in your bedroom?**

Have a telephone in your bedroom or close to where you sleep and post the local emergency number nearby in case you are trapped by smoke or fire.

Yes  No

**Do you have a medical alert button?**

Consider having this device for access to help in an emergency.

Yes  No

**Do you have carbon monoxide alarms in your home?**

Install a carbon monoxide alarm outside each sleeping area and on every level of your home. Test the alarms monthly. If you cannot reach the alarm safely, ask for help.

Yes  No

**If there are smokers in your home, do they smoke outside?**

Ask smokers to smoke outside. Never smoke in bed or when drowsy.

Yes  No  N/A

**Do smokers use deep, sturdy ashtrays?**

Use deep, sturdy ashtrays. Wet cigarette butts and ashes before throwing them out or bury them in sand.

Yes  No  N/A

**Are space heaters at least 3 feet (1 meter) from things that can burn?**

Keep space heaters at least 3 feet (1 meter) away from anything that can burn—including you. This applies to woodstoves and fireplaces, too. Shut off and unplug heaters when you leave the room or your home or go to bed. Plug space heaters into wall outlets and never into extension cords or power strips.

Yes  No

**Do you inspect electrical cords in your home for damage?**

Check electrical cords often. If cords are cracked or damaged or you have loose electrical or extension cords, stop using the cords immediately and replace them. Do not try to repair them.

Yes  No

**Are electrical cords kept from running across doorways or under rugs?**

If not, unplug them at once. Avoid putting cords where they can be damaged or pinched by furniture, under rugs and carpets, or across doorways.

Yes  No

**Do you know how to put out a pan fire on the stovetop?**

If a pan of food catches fire, slide a lid over it and turn off the burner. When in doubt, get outside and call the fire department.

Yes  No

**Do you stay in the kitchen when you cook?**

Stay in the kitchen when frying, grilling, or broiling food. If you leave for even a short period of time, turn off the stove. Don't use the stove if you are drowsy from alcohol or medication and do not cook while taking new medication until you know how it will affect you.

Yes  No

**Do you allow food cooked in a microwave oven to cool before eating?**

Remember that while microwave ovens stay cool, the food inside can become very hot. Open microwaved food slowly, away from the face. Allow food to cool before eating.

Yes  No

**Do you wear tight-fitting clothing or short sleeves when you cook?**

Wear tight-fitting, rolled-up, or short sleeves when cooking. Use oven mitts to handle hot pans.

Yes  No

**Do you know what to do if your clothes catch fire?**

Stop (don't run), drop gently to the ground, and cover your face with your hands. Roll over and over or back and forth to put out the fire. If you cannot drop and roll, keep a blanket or towel nearby to smother flames. If you use a wheelchair, scooter, or other device and can get to the floor, lock the device before getting out and then roll until the flames are out. If you are a bystander, consider grabbing a rug, blanket, or fire blanket to smother the flames. Get medical help right away.

Yes  No

**Do you know how to treat a burn?**

Treat a burn right away by putting it in cool water for 3 to 5 minutes. Get medical help if needed. Do not apply creams, ointments, sprays, or other home remedies.

## October is National Crime Prevention Month!

Crimes of opportunity are often preventable. During this time, we would like to take this opportunity to remind residents of some easy crime prevention tips for your home and vehicle to help avoid becoming a victim.

### HOME SECURITY

- Keep shrubs trimmed to 3 feet and prune the lower branches of trees up to 7 feet to maintain clear visibility, especially under windows. This removes the opportunity for an intruder to hide.
- Use walkways and landscaping to direct visitors to the proper entrance and away from private areas.
- Keep doors and windows locked. Replace inadequate locks with good security hardware such as deadbolts.
- Close the garage door. When the garage is not in use, keeping it closed helps keep intruders out of your garage and home.
- After dusk, turn on the outside lights in the front and back of the home.
- Make sure the yard is well-lit, including the sidewalks. Solar yard lights are an easy solution.
- Install security cameras on the exterior of the home.
- Consider installing an alarm system.

### Vehicle Break-In & Theft Prevention

Crimes of opportunity are easily preventable!

#### LOCK YOUR VEHICLE

Locking your vehicle doors is the first step in deterring a thief.

#### REMOVE YOUR KEYS

If your key is in the ignition, a thief can simply break a window and drive off. Never leave your vehicle running without someone in it.

#### CLOSE YOUR WINDOWS

Keep your windows closed completely. A thief can easily reach into your car through an open window

#### PARK IN WELL-LIT AREAS OR GARAGE

Thieves may be deterred if they know they can easily be seen.

#### DON'T LEAVE VALUABLES IN YOUR CAR

One way to attract a thief is to leave a purse or wallet, cell phone, laptop, or other high value item in a visible area of your car. If you must leave items in your vehicle hide them where they can't be easily seen.

#### BE AWARE OF YOUR SURROUNDINGS

If you're concerned about the safety of your vehicle or spot someone prowling around the area, park somewhere else if possible.

#### REPORT SUSPICIOUS ACTIVITY IMMEDIATELY!

## CALLING ALL CANCER FIGHTERS - IT'S THAT TIME OF YEAR AGAIN – HELP DPD ARREST CANCER!

October is Breast Cancer Awareness Month, and Team DPD will be participating in our annual “Pink Patch Project!” Partnering with the South Sound Care Foundation, DPD Officers will be wearing pink patches and badges in order to promote breast cancer awareness within our community during October.

Pink patches are sold to the public for \$12.00 per patch, or 2 for \$20.00. 100% of the proceeds from the Dupont police pink patch project will be donated to the South Sound Care Foundation. The public can purchase patches in person at the DuPont Police main station, Monday-Friday from 8:00am to 5:00pm. CASH ONLY PLEASE:

**DuPont Police Department**  
**1780 Civic Dr., Suite #100**  
**DuPont, WA 98327**

The South Sound CARE Foundation is a local cancer research and support organization that provides residents with cancer treatment options, which may be otherwise unavailable to them. South Sound CARE's board includes cancer survivors and medical professionals who strive to eradicate this deadly disease by working together to bring clinical trials to the South Sound region.
