## REPORTING AN INCIDENT? NEED AN OFFICER?

- ❖ To report an emergency, dial 9-1-1
- ❖ To report a non-emergency, dial (253) 287-4455
- ❖ If you aren't sure, let us help you by dialing (253) 964-7060

If you have non-urgent questions, suggestions, want to file a complaint or commend a D.P.D. staff member, we appreciate the opportunity to assist you. You may reach us via email at [Police@dupontwa.gov](mailto:Police@dupontwa.gov) or by telephone at (253) 964-7060.

## NEWS FROM PATROL

---

- Officers received a report of a couple that was attempting to rent a home. The couple had transferred a large sum of money to an individual who claimed to be a landlord of a home in DuPont. It was discovered that the home was already rented to other individuals. A report of fraud was filed.
- A physical domestic violence incident was reported by a spouse. Charges of Assault in the 4<sup>th</sup> Degree and Malicious Mischief in the 2<sup>nd</sup> Degree have been referred to the Prosecutor.
- Officers conducted a speed emphasis on Steilacoom DuPont Road and Center Drive. A driver was stopped at a speed of 74 miles an hour in a 45-speed zone.
- Theft from a vehicle was reported by a patron at a local business.

## DEPARTMENT NEWS

---

- An officer attended a law enforcement-related course hosted by the department.
- Students and staff at a local school were greeted by an officer.
- Officers completed required online training.

## NATIONAL BICYCLE SAFETY MONTH

Are you ready to ride? During this time of year there are more cyclists on the road taking advantage of the warmer weather and longer daylight hours. The DuPont Police Department would like to take this opportunity during National Bicycle Safety Month to remind drivers and cyclists of some important safety tips:

### For Drivers

- Traffic safety is a shared responsibility. When driving, look out for bicyclists, never drive distracted, and look left-right-left and behind when turning right on red. Yield to bicycles as you would other vehicles.
- If you see a bicyclist, maintain a safe distance: Bicyclists are most often killed by drivers who strike them with the front of their vehicles, often at high speeds. The higher the vehicle speed, the higher the likelihood a bicyclist will be seriously injured or killed.

### For Bicyclists

- Just like seat belts help save lives in a motor vehicle crash, bicycle helmets save lives, too. When biking, always wear a correctly fitting helmet.
- Compared to vehicles, bicyclists are harder to see because of their smaller size. To make it easier for drivers to see you, have reflectors and lights on your bike and wear reflective and bright clothing.
- Bicyclists ride in the same direction as traffic and obey street signs, signals, and road markings, just like a vehicle. Never text, listen to music, or do anything that can distract you from keeping your eyes, ears, and concentration on the road and traffic.
