### Vehicle Break-In & Theft Prevention

**Crimes of opportunity are easily preventable!**

**LOCK YOUR VEHICLE**  
Locking your vehicle doors is the first step in deterring a thief.

**REMOVE YOUR KEYS**  
If your key is in the ignition, a thief can simply break a window and drive off. Never leave your vehicle running without someone in it.

**CLOSE YOUR WINDOWS**  
Keep your windows closed completely. A thief can easily reach into your car through an open window

**PARK IN WELL-LIT AREAS OR GARAGE**  
Thieves may be deterred if they know they can easily be seen.

**DON'T LEAVE VALUABLES IN YOUR CAR**  
One way to attract a thief is to leave a purse or wallet, cell phone, laptop, or other high value item in a visible area of your car. If you must leave items in your vehicle hide them where they can't be easily seen.

**BE AWARE OF YOUR SURROUNDINGS**  
If you're concerned about the safety of your vehicle or spot someone prowling around the area, park somewhere else if possible.

**REPORT SUSPICIOUS ACTIVITY IMMEDIATELY!**
