

Pt. Defiance Bypass
11 Jan 2016
City of DuPont

Purpose: Provide general schedule information and project update including current & upcoming outreach activities. Establish Corrie Adams as ST's Community Outreach Specialist for the City of DuPont

Attendees: ST: Jodi Mitchell, Corrie Adams

WSDOT: Janet Matkin.

DuPont: Nicole Floyd, William Anderson, and Gus Lim

(Gus Lim, Director of Public Works. William Anderson, Building Official)

Janet provided overview of PDB project as a whole including FRA funding.

Jodi provided overview of relationship b/t WSDOT, project background and purpose of meeting.

Gus Lim asks about work at Barksdale including lane closures needed to accomplish work and suggests reaching out to the hotel, State farm building, and the apartment complex off of Barksdale. He also informs group of an upcoming City asphalt overlay project on Wilmington. Wilmington runs between Barksdale and Palasades. Work needs to start in June per funding requirement and construction is currently anticipated to take about 4 weeks. Designer is not yet on board.

Gus provided drawing of work.

Corrie provided an overview of the schedule, outreach activities currently underway and informed the group about the schedule for night work. Jodi clarified that while track work is done at night, there is still other work along the ST ROW that will occur during the days.

Hard copies of the DRAFT schedule and Construction Alert was provided to all attendees.

Corrie asked about potential outreach venues/activities. Gus Lim offered to ST to speak at City Council meeting, and/or town hall meetings. Nicole provided points of contact for the Historic Village group and Corrie will follow up with Allison about NW Landing and Homeowners group contact. William stated the contractor needs to connect w/ the Fire and Police Chiefs in case of emergency.
