

**CITY OF DUPONT
SMALL WORKS PROJECT
“PREVAILING WAGES SHALL BE PAID”
ENGINEER’S ESTIMATE: \$44,000**

INVITATION TO BID

The City of DuPont is releasing a Small Works Project. As a Contractor on the City of DuPont MRSC Vendor Roster under the Chemicals and Minerals category, you are invited to submit a bid on this project on the enclosed Bid Proposal form.

Project Title: Hoffman Hill Well 1 Onsite Chlorine Generator

Scope of Work: This project consists of furnishing and installing a 20 pound per day sodium hypochlorite generator with modular electrolytic generation cells at Hoffman Hill Well 1, including necessary appurtenances, and services for testing, startup, and training.

Delivery of Proposal: City of DuPont, 1700 Civic Drive, DuPont, Washington 98327

Bid Date: Thursday, November 19, 2020, up to 10:00 a.m.

Bid Documents may be *examined* at the office of the City of DuPont, or the office of the Project Engineer, Gray & Osborne, Inc. Bid Documents for this project are available free-of-charge at the following website: “<http://gobids.grayandosborne.com>”. Bidders are encouraged to “Register” in order to receive automatic email notification of future addenda and to be placed on the “Bidders List”. For assistance, please call (206) 284-0860. Contract questions shall be directed only to the office of the Project Engineer.

Bidders must be registered on the City of DuPont MRSC Small Works Roster to be eligible to submit a bid for this Project.

Questions concerning the Contract Provisions will be taken by the Project Engineer at Gray & Osborne, Inc.’s Olympia office ((360) 292-7481).

Two prebid site visits are scheduled for November 4th and 5th at 2:00 p.m. The visits will be held at the project site at 1350 Foreman Road, DuPont, WA 98327

No oral responses to questions by City personnel about the project will be binding on the City.

The City of DuPont expressly reserves the right to reject any or all bids and to waive minor irregularities or informalities, and to further make award of the project to the lowest responsive, responsible bidder as it best serves the interest of the City based on the sum of the Bid.
