*Participants may ENROLL on or any time after their Plan Entry Date, following the completion of the eligibility conditions and may RE-ENROLL the first day of any month after revocation. Participants may INCREASE or DECREASE their salary deferral contributions at the frequency set by their employer. Participants may REVOKE their salary deferral agreement any time with a 15 day written notice. I understand the amount of deferrals I have elected, as Regular (Pre-Tax) 457(b) contributions in this Salary Reduction Agreement will reduce my current compensation includible income for the taxable year of the deferral. I understand the amount of deferrals I have elected as Roth (After Tax) 457(b) contributions in this Salary Reduction Agreement will NOT reduce my current compensation includible in income and that my Roth deferrals will be includible in income for the taxable year of the deferral. I understand my election regarding the type of deferrals is irrevocable once the employer withholds the deferrals from my paycheck and that any change of election regarding the type of deferrals (Roth or Regular) is effective only for deferrals from paychecks I receive after the plan administrator accepts my change of election.

**I understand and agree that this Beneficiary Designation and Waiver may be delivered electronically rather than in paper, and I may be expected to respond electronically to any of the Plan documents. I also understand that I have a right to request and receive a paper version of this form without cost to me and to rescind this consent within a reasonable time by contacting the Plan Administrator at the telephone number listed in the Summary Plan Description. I understand that the Plan documents, including this Beneficiary Designation, are in English, and I agree that if I require a translation of the Plan documents into a language other than English, I will be fully responsible for arranging for accurate translations of the Plan documents. I agree that if the Plan documents, including this Beneficiary Designation, are translated into a language other than English and if the translated version is different from the English language version, the English language version will take precedence. Trust Beneficiary. If you name a trust as a Beneficiary, the Trustee also must satisfy additional documentation requirements no later than October 31 of the calendar year following the calendar year of your death. The Plan Administrator will provide you or the Trustee with the additional forms you must complete. Effect of Marriage. See below regarding spousal consent requirements if you are married and wish to name someone other than your spouse as your sole primary Beneficiary. If you are unmarried at the time of your designation, your Beneficiary designation will cease to be effective one year after your marriage unless you have designated your spouse as your sole primary Beneficiary. Effect of divorce. A divorce decree or a decree of legal separation automatically revokes a designation of your spouse as a Beneficiary, unless the decree or a qualified domestic relations order provides otherwise. The Trustee will pay all sums payable under the Plan by reason of my death to the primary Beneficiary, if he or she survives me, and if no primary Beneficiary survives me, then to the Contingent Beneficiary, and if no named Beneficiary survives me, then the Trustee will pay all amounts in accordance with the Plan. I understand that, unless I have provided otherwise above, the Trustee will pay all sums payable to more than one Beneficiary equally to the living Beneficiaries.
