## GENERAL PROVISIONS APPLICABLE TO ALL PERMITS

- a. A street restoration bond is required for the protection of the City. The bond shall be for a minimum of \$5,000.00. If multiple projects are under construction at the same time, the Public Works Director may require higher bond amounts. Contractors or utility owners, working within the public right-of-way, will carry liability insurance in an amount of at least \$1,000,000.00 and will provide the City with a certificate of insurance which names the City as coinsured for all work performed within the City's right-of-ways. Evidence of a credible self-insurance program may be substituted for this insurance requirement provided prior approval is given by the City.
- b. During progress of work, such barriers shall be properly lighted when necessary. All traffic control shall comply with the MUTCD.
- c. In accepting this Permit, the Petitioner, his successors or assigns, agrees to protect the City and save it harmless from all claims, actions or damages of every kind and description which may accrue to or be suffered by any persons, corporations or property by reason of the performance of any such work, character of materials used or manner of installation, maintenance and operations or by the improper occupancy of rights of way of public place or public structure, and in case any suit or action is brought against said City for damages out of or by reason of any of the above causes the Petitioner, his successor or assigns will upon notice to him or them of commencement of such action, defend the same at his or their own sole cost and expense and will satisfy judgment after the said suit or action shall have finally been determined if adverse to the City.
- d. Except as herein authorized, no excavation shall be made or obstacle placed within the limits of a City street in such a manner as to interfere with the travel over said road.
- e. If the work done under the Permit interferes in any way with the drainage of the City streets, or causes damage, the grantee shall wholly and at its own expense make such provisions as the City may direct to take care of said drainage and/or damage.
- f. On completion of said work herein contemplated, all rubbish and debris shall be immediately removed and the roadway and roadside shall be left neat, presentable and satisfactory to the City.
- g. Grantee shall comply with the Washington State Electrical Code, City Ordinances, Washington Department of Highway Standards and Standards Specification for Road and Bridge Construction.
- h. No work permitted on Saturday, Sunday, or holidays between the hours of 10:00 p.m. and 7:00 a.m. of any working day, except in case of emergency and then only upon notification to the City of DuPont.
- i. Notify Police Department, Fire Department, DuPont Public Works and local School District before opening any trenches across roadway and when project is completed.
- j. All of the work herein contemplated shall be done under the supervision and to the satisfaction of the City of DuPont Public Works and the entire expense of said supervision shall be borne by the parties to whom this Permit is issued.
- k. The City hereby reserves the right to order the change of location or the removal of any structure or structures authorized by the Permit, at any time said change or removal to be made at the sole expense of the party of parties to whom the Permit is issued, or their successors and assigns.
- l. All such changes, reconstruction or relocation by the grantees shall be done in such manner as will cause the least interference with any of the City's work and the City shall in no way be held liable of any damage to the grantee by reason of any such work by the City, its agents or representatives or by the exercises of any right by the City upon the roads, streets, public places or structures in question.
- m. The Grantee recognizes and agrees that it is responsible for and will make at its own expense any changes that may be required in location of work described under (2) of this permit and of item (1) above.
- n. The permit or privilege shall not be deemed or held to be an exclusive on and shall not prohibit the City from using any of its roads, streets, or public places or affects its right to full supervision and control over all or any part of them, none of which is hereby surrendered.
- o. The City may revoke, annul, change, amend, amplify or terminate the Permit or any of the conditions herein enumerated if grantee fails to comply with any of its provisions, requirements or regulations as set forth or through willful or unreasonable neglect, fails to heed or comply with notices given or if the utility herein granted is not installed or operated and maintained in conformity herewith or at all or for any cause or reason whatsoever.
- p. The party or parties to whom the permit is issued shall maintain at his or their sole expense the structure or object for which the permit is granted in a condition satisfactory to the City.
- q. In accepting this permit, the grantee, his successors and assigns agree that any damage or injury done to the property of the grantee or any expense incurred by him though the operation of contractor, working for the City or of any City employee shall be at the sole expense of the grantee, his successors or assigns.
