INVITATION TO BID

The City of DuPont is releasing a Small Works Project. As a Contractor on the City MRSC Small Works Roster for “Civil/Stormwater/General,” you are invited to submit a bid on this Project.

Project Title: Historic Village Storm Improvements Phase 2

Scope of Work: This project consists of the construction of a new storm water management system at the intersection of Barksdale Avenue and Penniman Street in the City of DuPont. It shall include the installation of a catch basin, a presettling structure, and an infiltration trench in addition to the installation of pipe connections between these structures and all associated surface restoration.

Delivery of Proposal: City of DuPont, 1700 Civic Drive, DuPont, Washington 98327

Bid Submittal Date and Time: Monday, August 4, 2025, up to 11:00 a.m.

Bid Documents for this project are available free-of-charge at the following website: “<http://gobids.grayandosborne.com>”. Bidders are encouraged to “Register” in order to receive automatic email notification of future addenda and to be placed on the “Bidders List”. For assistance, please call (206) 284-0860. Contract questions shall be directed only to the office of the Project Engineer.

Bidders must be registered on the City of DuPont MRSC Small Works Roster for the stated category to be eligible to submit a bid for this Project.

Questions concerning the Contract Provisions will be taken by the Project Engineer at Gray & Osborne, Inc.’s Olympia office (360) 292-7481.

No oral responses to questions by City personnel about the project will be binding on the City.

The City of DuPont expressly reserves the right to reject any or all bids and to waive minor irregularities or informalities, and to further make award of the project to the lowest responsive, responsible bidder as it best serves the interest of the City based on the sum of the Bid.
